Now pending before the Court is Defendant's Motion to Suppress Pretrial Photographic Identification and In Court Identification of Dean Proffitt by Adil Majlovic (Doc. #181). On January 18, 2008, Chief United States Magistrate Judge James C. England issued his Report and Recommendation.

Upon careful and independent review of the pending motion, as well as the applicable law, this Court hereby adopts and incorporates as its own Opinion and Order the Report and Recommendation of Chief United States Magistrate Judge James C. England.

Accordingly, it is hereby ORDERED that Defendant's Motion to Suppress (Doc. # 181)

as to in court identification of defendant Proffitt by witness Adil Majlovic is GRANTED.

It is further ORDERED that the remaining issues in the Motion to Suppress are DENIED without prejudice to the Defendant's right to attack Defendant's credibility and/or interview tactics of the United States at trial.
